

Purchase or renew a membership using WebCollect

To purchase a membership, hover over **Join Us** at the top of the website and then select **How to Join**. This will show you a page with WebCollect, the platform for managing your membership. If you'd prefer, you can head directly to WebCollect by going to webcollect.org.uk/grafham.

To proceed, you will need to make a new account, or sign in with an existing one. If you've used WebCollect before, you will use that account, not one unique to Grafham Water Sailing Club. You can do this by heading to the top right of the WebCollect view where it says **Sign in or Sign up!**

The screenshot shows the Grafham Water Sailing Club website interface. At the top left is the club logo and name, with the URL www.grafham.org. To the right, it says 'Powered by WebCollect' and 'Sign in or Sign up! Contact GRAFHAM'. A 'My basket' button is visible in the top right corner.

Below the header, there are two main sections:

- Already have an account with WebCollect? Sign in**: This section contains two input fields for 'E-mail' and 'Password', each with a question mark icon. A 'Login >' button is located below the password field.
- Create a new account with WebCollect Sign up**: This section contains five input fields: 'First name *', 'Last name *', 'Email address *', 'Create password *', and 'Confirm password *'. Each field has a question mark icon. A 'Strength' indicator is shown below the password field. A 'Save >' button is located below the confirm password field.

Below the sign-up section, there is a 'Your Information' section with a paragraph of text: 'WebCollect may use and disclose the information that you provide, to provide membership, subscription and event management services to Organisations that you are linked to. We will not share your information for marketing purposes. For more information explaining how we use your information, please see our [Privacy Policy](#).'

At the bottom, there are two options for users who cannot log in:

- I know the email address for my account, but need a password**: A 'Reset my password >' button.
- My organisation set up an account for me, but I haven't used it**: A 'Don't know your login details' section with the text: 'Contact your organisation. Check they have the right email address for you and ask them to send you a link to set your password.'

Once you've signed in, you won't be sent to the page you were on, instead you will be sent to this WebCollect you will be sent to this WebCollect Home Page. This page tells you about your account, such as what membership you have (under Subscriptions), and if you've booked onto any racing or coaching (under Tickets).
